Thank you very much for the thought.

I have no problem standing for elections even if rebuffed: it is not really clear that I am qualified except in an honorary sense. Sustaining the obligation of membership may be more difficult; and really I am not looking for more "joinings". But if you feel it would be of any help to R.G., I gladly go along.

It would be preposterous to discontinue me from medical education, as anyone at Stanford will aver.
